I'll come talk with you a bit. I'm on the ARSG conf. call right now and they are talking about how to go thru the review.

Jim – the Innocentive Solutions are on the I-drive under 30-day Share folder in the subfolder: “PSchmittziel – Upper Animas”. Some of them obviously don’t need any evaluation at all. I haven’t looked at many but a few are useless.

Thanks.
